**MEASURE ACCURATELY FOR YOUR LIFELINE LIFE JACKET:**

We want your Lifeline custom fit to be perfect. Please follow these instructions for the best possible product. We cannot be responsible for any measuring errors.

1. Use a cloth-type measuring tape (measure in inches).
2. Don't measure yourself. It's never accurate. Have someone else measure you.
4. Be precise. Do not add or subtract for any allowances.
5. Call us for assistance: 928-669-9241

|  |                         |
|--|-------------------------|
| <b>D</b> Chest circumference   |                         |
| <b>I</b> Circumference midway between chest and waist                |                         |
| <b>C</b> Waist circumference (NOT pant size)                         |                         |
